this book is dedicated to

*JONATHAN LIVINGSTON SEAGULL,
who has given us insight to the
joy and challenge of learning
something new—and for letting
the good times roll.*

. . . to be an instructor . . . to give

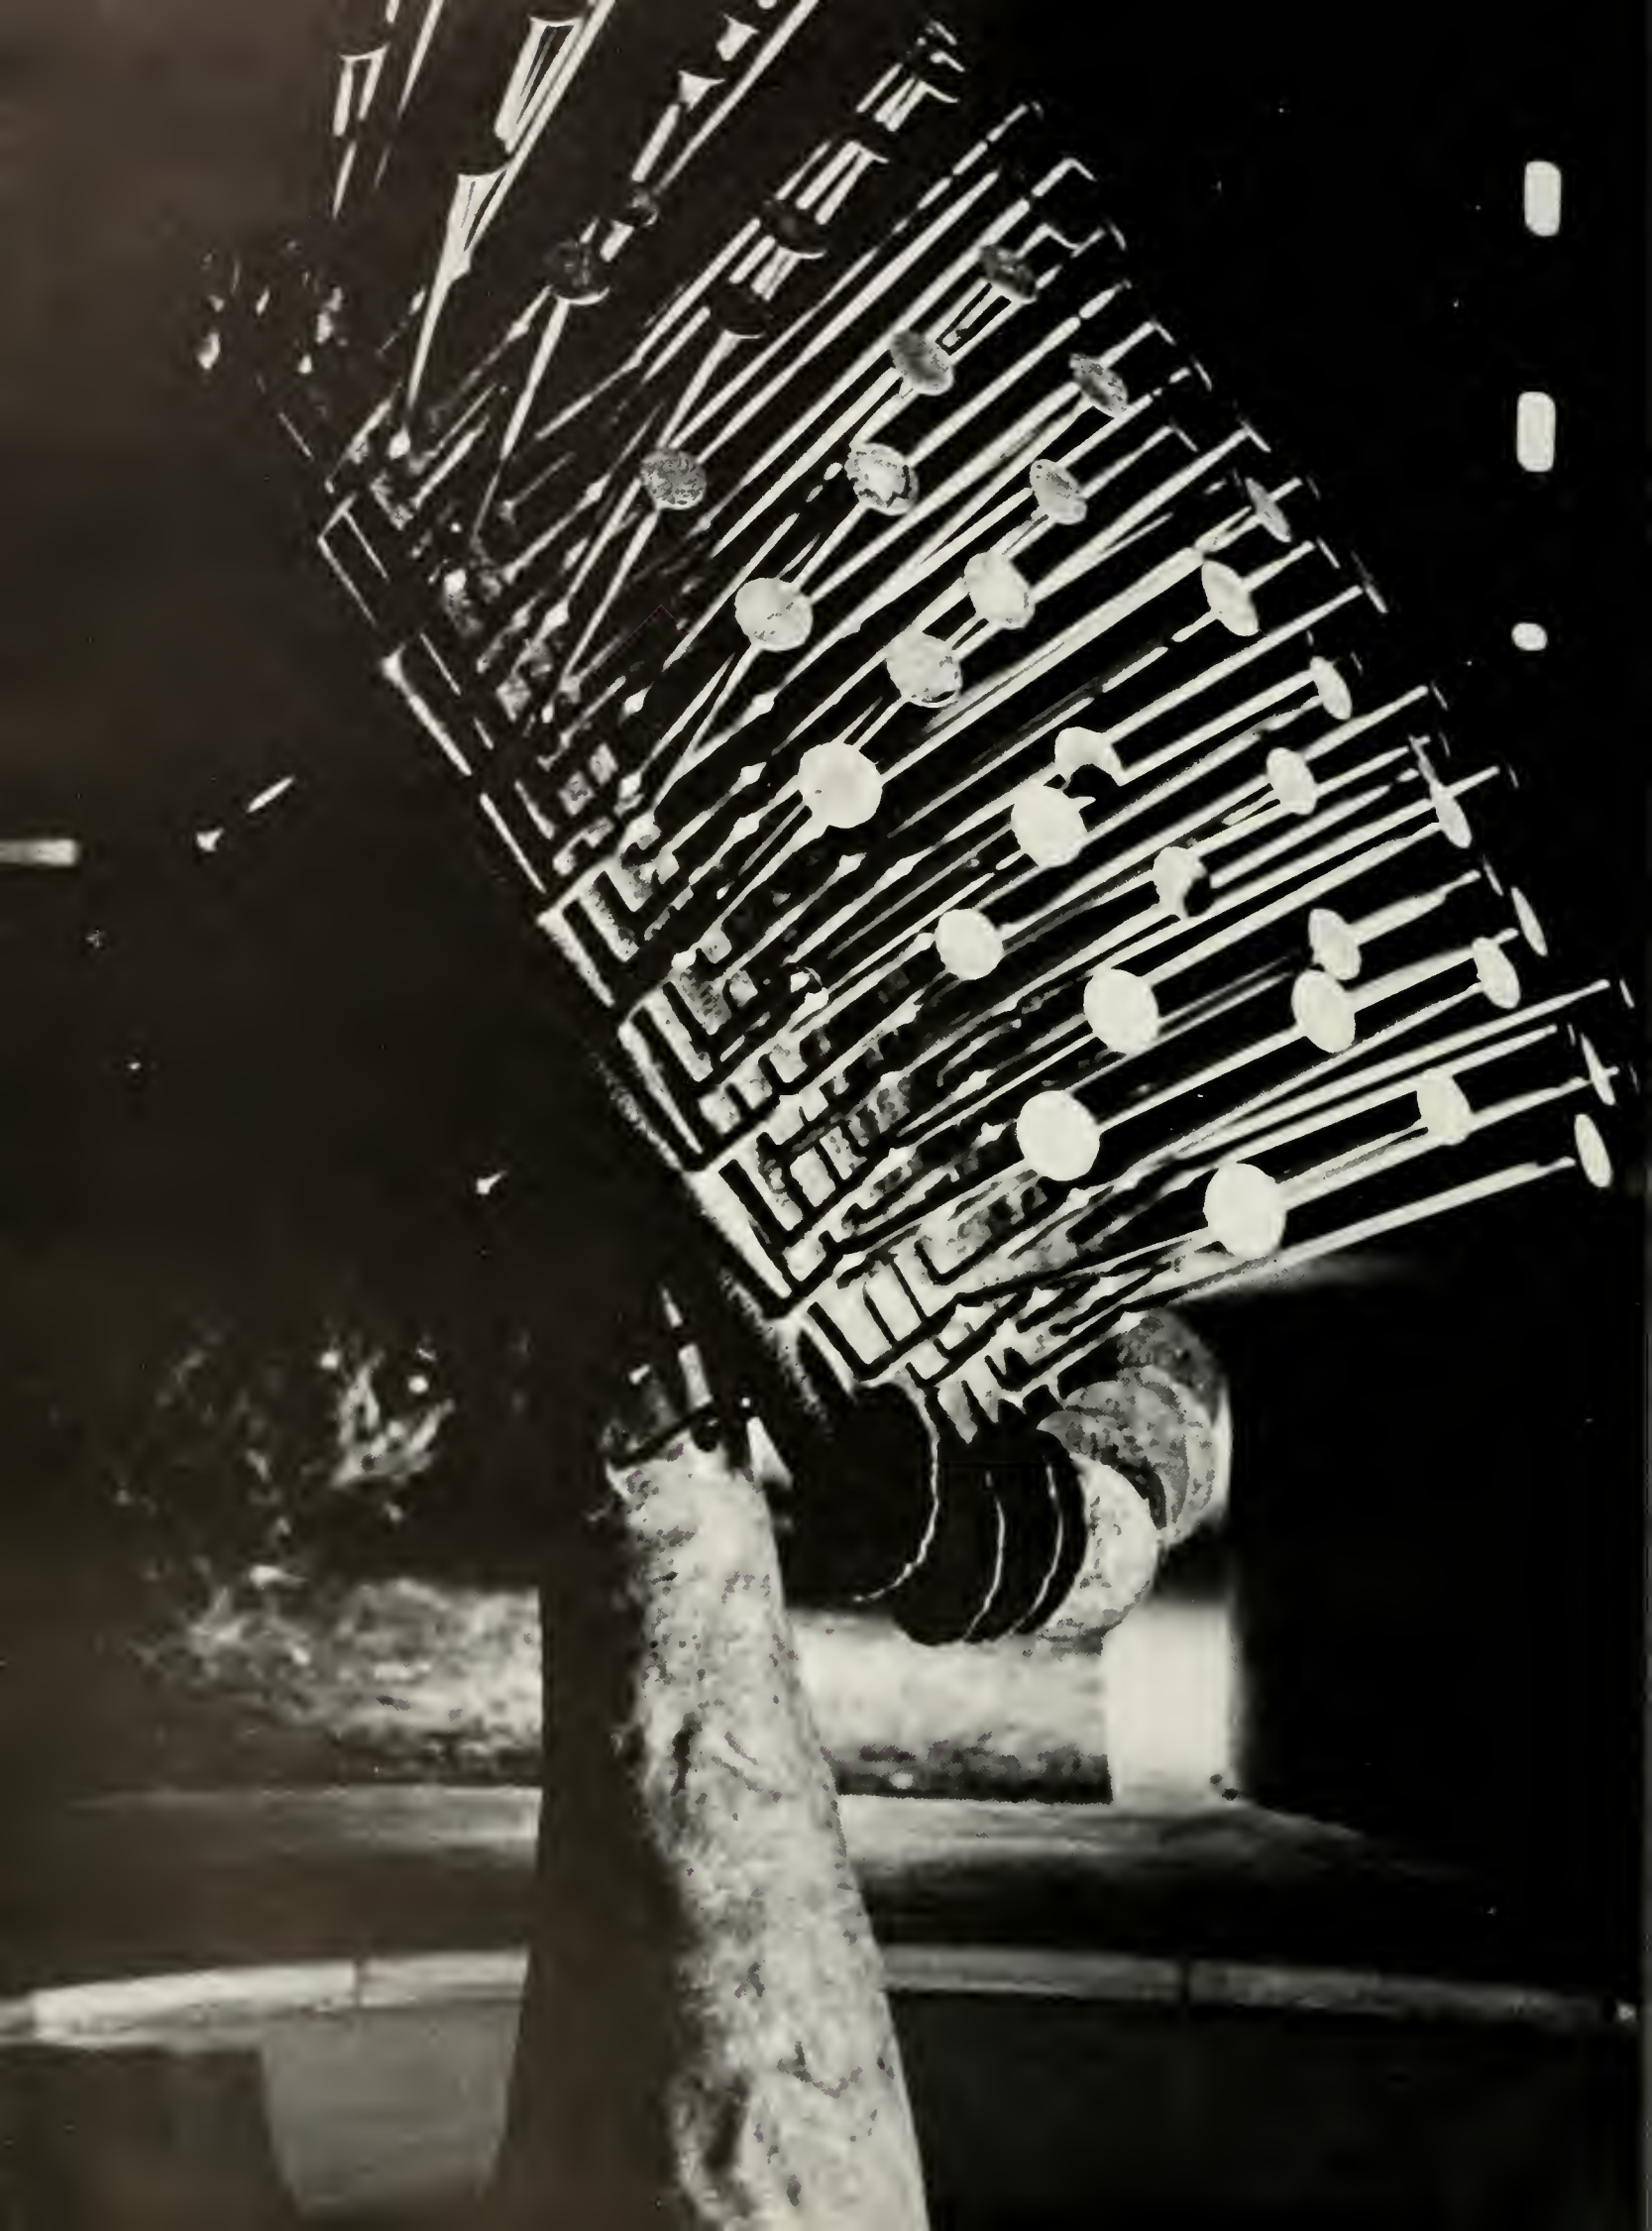

something of the truth he had seen . . .

... we're free to go where we wish and to be what we are ...

. . . life is the unknown and the unknowable . . .

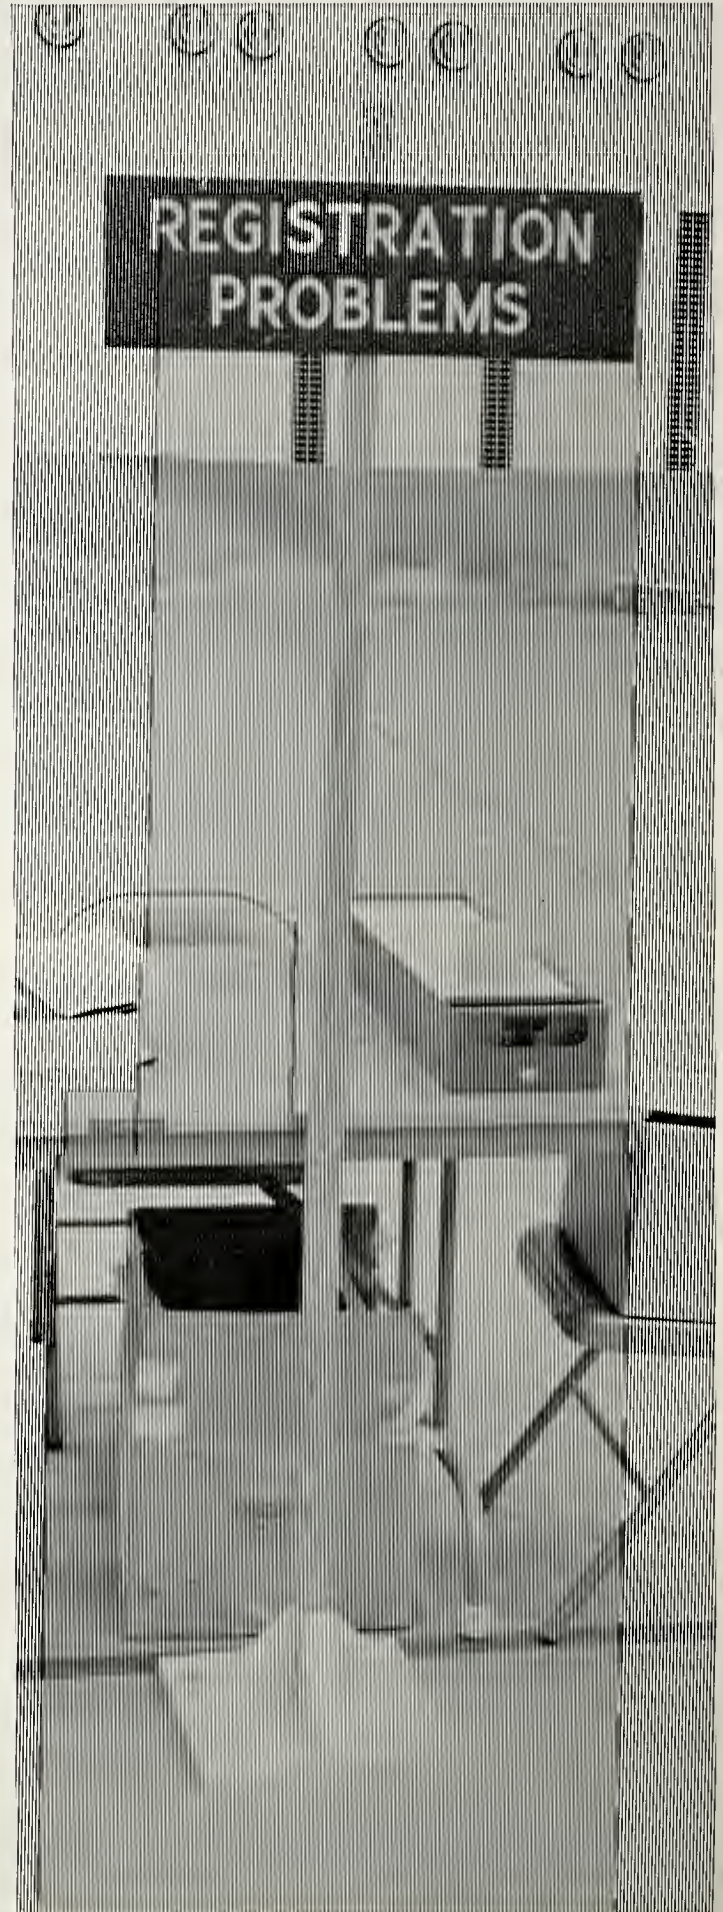

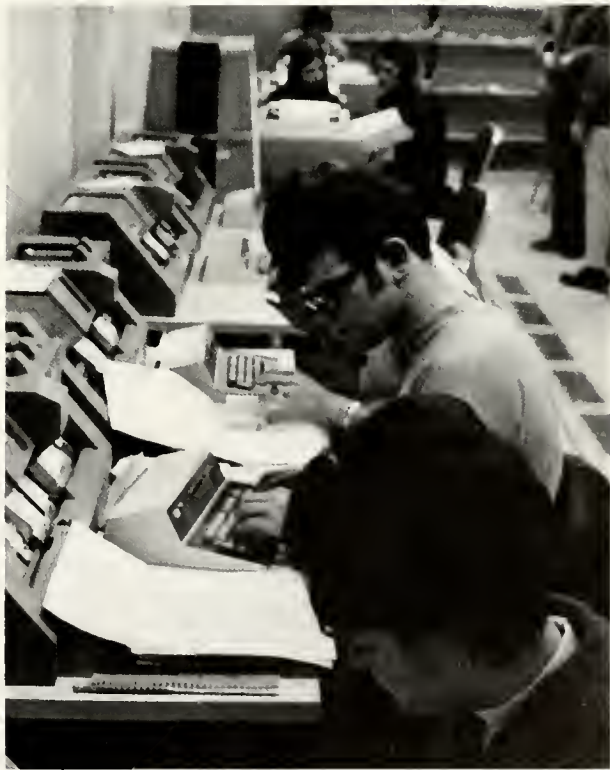

. . . keep
working
on
love . . .

. . . it always works
when you know what you're doing . . .

Streak
tonight
midnight
Soccer Field

. . . we
can
be
free . . .

. . one school is finished
and the time has come for another to begin . . .
